Video Editors – HQue Media

We are looking for freelance video editors to edit videos for our projects. Your primary role is to make professional videos that excite and inspire our customers.

We're one of the best types of companies to work for. We embrace individuality, spontaneity, and creativity. Working with us will ensure that you grow both professionally and personally.

This is a very important position and a high growth opportunity.

What you will do

- Editing videos and deliver within a deadline.
- Creating graphics and titles for videos.
- Editing sound and adding soundtracks to videos.
- Be available on shooting sets to download and copy footage from the media cards.

Experience you MUST have

- No educational background needed.
- Must be able to edit and deliver videos fast.
- Must have knowledge in Final Cut Pro X.
- Have excellent communication skills.
- Must be self-managing with a strong work ethic.
- Must be reliable and organized.
